

# LOCAL ORIGINS RURAL NETWORK

OUR OBJECTIVE: supporting a more sustainable way of living in the Lorn area of North Argyll

## 2011 LORN Community member

### Community Membership of Local Origins Rural Network

In response to increasing demand, and with a larger committee to properly handle the money and paperwork, LORN is delighted to be able to welcome ALL to join LORN and positively support the activities that will help our communities fulfil our objective of creating a Sustainable Lorn.

Open to all individuals and organisations who actively support the aims of LORN to create a more sustainable way of living in the Lorn area of North Argyll in all its myriad aspects – personal, community, environmental and economic.

- \* LORNcommunity – online community to learn more about how to build a sustainable future together with your friends and neighbours; share your experience, ask questions, bring in what you find out from elsewhere for others to learn from.
  - o Please note, only LORN Enterprise members may use the online community to advertise their business activities. We are delighted to consider any application for LORN Enterprise membership.
- \* Get to learn about what activities are happening around you.
- \* Special offers to LORN members from the local producers in the Network
- \* For local business who are actively supporting LORN producers and objectives, we can offer a dedicated Business supporter website detailing which LORN members produce you are using.
- \* Close active links with local groups involved in Heritage, Recycling, Renewables, Growing, Environment, Education, Transport, Community Development to create a positive network.
- \* Regular newsletters, facebook news, and a growing labyrinth of connections with expertise and experience around the country brought into the area to help and support community sustainability initiatives.
- \* No voting rights at LORN AGM meetings.

LORN is a Community Network – our strength will come from working together, sharing expertise and action.
