# Arygll Apple Day

Come see the **Scottish Apple Collection** - a drop in exhibition of **100 plus Scottish apple varieties**

Kintaline Farm, Benderloch, by Oban, PA371QS 11pm - 3pm, Thursday, 15th Oct 2009

Come and see the Scottish Collection of apples and find out about apple varieties that grow well in Scotland. Bring your apples along to try to identify, juice and taste.

Fun for children make juice, look for apples, and more.

Fresh apple juice and a chance to taste real apples

If you'd like to help - bring local apples, do baking to bring - or get involved contact ....

The Children's Orchard is seeking to plant a Scotland-wide Commonwealth Orchard. We work with communities, schools, councils, housing associations, businesses, landowners and many other partners to allow children to plant, maintain, harvest and eat their own fruit.
